

ADMISSION BULLETIN 2019-20

International Institute for Population Sciences (Deemed University)

Govandi Station Road, Deonar, Mumbai – 400088
Phone: +91 - 022 - 42372433, 42372468

MISSION AND VISION OF THE INSTITUTE

Mission Statement

"The Institute will strive to be a centre of excellence on all population and relevant issues through high quality education, teaching and research. This will be achieved by (a) creating competent professionals, (b) generating and disseminating scientific knowledge and evidence, (c) collaboration and exchange of knowledge, and (d) advocacy and awareness.

Vision Statement

"To position IIPS as a premier teaching and research institution in population sciences responsive to emerging national and global needs based on values of inclusion, sensitivity and rights protection."

Mumbai

DIRECTOR & SENIOR PROFESSOR

ABOUT THE INSTITUTE

The International Institute for Population Sciences (IIPS) Mumbai, formerly known as the Demographic Training and Research Centre (DTRC) till 1970, was established in July 1956 under the joint sponsorship of Sir Dorabji Tata Trust, the Government of India, and the United Nations. The Institute is under the administrative control of the Ministry of Health and Family Welfare, Government of India.

The Institute serves as a regional centre for Training and Research in Population Studies for the ESCAP region. The Institute was re-designated to its present title in 1985 to facilitate the expansion of its academic activities and was declared as a 'Deemed University' in August 19, 1985 under Section 3 of the UGC Act, 1956 by the Ministry of Human Resource Development, Government of India. The recognition has facilitated the award of recognized degrees by the Institute itself and paved the way for further expansion of the Institute as an academic institution. The faculty members and the supporting staff belong to diverse interdisciplinary background with specialisation in some core areas of population sciences, trained in India and abroad.

The Institute is the hub of population and health related teaching and research in India, playing a vital role for planning and development of the country. During the past years, students from different countries of Asia and the Pacific region, Africa and North America have been trained at the Institute. The alumni of the institute are occupying prestigious positions at reputed national and international organisations, universities, research institutes and non-governmental organisations.

The Institute offers seven different Post-Graduate, Doctoral, and Post-Doctoral courses, admission to which for the academic session 2019-20 is announced hereby. After completing the course, students of all programmes are well prepared for: (i) admission to higher degree programmes in the best universities of the world; (ii) a good career in teaching & research; (iii) multi-disciplinary professional career; or (iv) independent consultant and specialist in health and development sectors.

Master of Science (M.Sc.) in Bio-statistics and Demography (50 Seats with Government of India Fellowship)	Admission to this course is open to all candidates having B.A./B.Sc. Degree (passed/appearing) in Bio-statistics or Health Statistics or Mathematics or Statistics or having B.A./B.Sc. degree with two full papers on mathematics or statistics from a recognized university in India or abroad with a minimum of 55% of aggregate marks/equivalent grade in all subjects.	The upper age limit is 25 years as on 30 June,2019	On the basis of a common entrance test.	Two years	Rs. 5,000/- p.m.	4 th January 2019
Master of Population Studies (M.P.S.) (50 Seats with Government of India Fellowship)	Admission to this course is open to all candidates having M.A./M.Sc. Degree (passed/appearing) from a recognized university in India or abroad with a minimum of 55% of aggregate marks/equivalent grade in the following subjects: Anthropology, Bio-statistics, Development Studies, Economics, Geography, Health Statistics, Mathematics, Population Studies, Political Science, Population Education, Psychology, Rural Development, Social Work, Sociology and Statistics.	The upper age limit is 28 years as on 30 June,2019	On the basis of a common entrance test and personal interview.	One year	Rs. 5,000/- p.m.	4 th January 2019
Master of Philosophy (M.Phil.) in Population Studies/ Bio-statistics & Demography	Admission to M.Phil. Course is open to all candidates holding a Master's degree in Population Studies, Demography, Bio-statistics and Epidemiology, Bio-statistics & Demography from a recognized university in India or abroad with a	The upper age limit is 30 years as on 30	On the basis of a common entrance test and Personal interview	One year	Rs. 6,000/- p.m.	4 th January 2019

(50 Seats with Government of India Fellowship)	minimum of 55% of aggregate marks or equivalent grade.	June,2019				
Integrated M.Phil. and Ph.D. in Population Studies /Bio-statistics & Demography (No. of seats for UGC/CSIR-JRF or any other national level fellowship awardees shall be decided by the admission committee)	Admission to Integrated M.Phil. and Ph.D. program is open to candidates holding a Master's degree in Population Studies, Demography, Bio-statistics and Demography from a recognized university in India and abroad with a minimum of 55% of aggregate marks or equivalent grade.	The upper age limit is 30 years as on 30 June,2019	Common entrance test, Proposal writing, and personal interview	Three years to a maximum of Seven years	Respective fellowship	4 th January 2019
Doctor of Philosophy (Ph.D.) in Population Studies/ Bio-statistics & Demography (TwoSeats with Government of India Fellowship) (No. of seats for UGC/CSIR-JRF or any other national level fellowship awardees shall be decided by the admission committee)	Admission to Ph.D. program is open to candidates having M.Phil. in Population Studies, Bio-statistics and Epidemiology, Demography from a recognized university with at least 55% of aggregate marks/equivalent grade.	The upper age limit is 30 years as on 30 June,2019	On the basis of common entrance test, proposal writing and personal interview	Two years to a maximum of Six years	<i>Refer Footnote-4</i>	4 th January 2019
M.A. Population Studies (Through Distance Mode of Education) (100 Seats) Offline admission procedure	Admission to this course is open to all those with a Bachelor's degree in any social science subject/Health Sciences/Mathematics/ Statistics or any similar degree recognized by Indian/Foreign universities	No age limit	Scrutiny of eligible applications by the Admission committee (Offline admission procedure)	Two years to four years	No fellowship	1 st July 2019

Post-Doctoral Fellowship (P.D.F.) Offline admission procedure	Candidates having Ph.D. degree in Population Studies or subjects related with Population, Health, Gender, and Development are eligible to apply. Desirable: Publications in peer reviewed journals, publication of books and research reports.	The upper age limit is 40 years as on 30 June 2019	Submission and presentation of research proposal as well as Personal Interview	One year full time	Rs. 50,000/- p.m.	1 st July 2019
--	--	--	--	--------------------	-------------------	---------------------------

Please read all instructions carefully.

Instructions

1. All foreign students with sponsorship on their own/ from any other source will be selected on merit basis, subject to fulfilling the eligibility criteria. Admission test will not be conducted for the foreign candidates. Processing fee will not be charged to the foreign candidates while submitting the application form.
2. Duration of Ph.D. programme is specified for thesis submission and not for fellowship.
3. Number of seats with Government of India (GOI) fellowship for M.Phil. and Integrated M.Phil./Ph.D. programme are 50.
4. Government of India Fellowships @ Rs. 25,000/- per month for 1st and 2nd year and Rs.28,000/- per month for 3rd and 4th years available for the Indian students who have qualified NET for Lectureship in population studies or its inter-disciplinary subjects conducted by the UGC. Such Ph.D. fellowship also carries a contingency grant of Rs.10,000/- per year for the first two years and Rs. 20,500/- for the third year. However the candidates without NET qualification shall be awarded fellowship @ Rs.12,000/- per month for 1st and 2nd years, and Rs.14,000/- per month for 3rd and 4th years, with a contingency grant of Rs.10,000/- per year. In addition, UGC-JRF and other fellowship holders will also be considered for admission as per availability of seats.
5. Post-doctoral applicants need not apply online. They are required to send their application along with supporting documents and comprehensive research proposal to “The Assistant Registrar (Academic), International Institute for Population Sciences, Govandi Station Road, Deonar, Mumbai-400088” on or before **1st July 2019**.
6. Candidates who have already passed the qualifying examinations and those who have already appeared/ shall be appearing in the final qualifying examinations are eligible to apply. However, admission will be cancelled if he/she fails to furnish the final examination results by **30th September, 2019**.
7. Reservation for SC/ST/OBC/PWD and female candidates may be considered as per the Government of India norms.

8. The non-refundable processing fees are **Rs. 1000/-** for General category, **Rs. 500/-** for OBC (Non-Creamy Layer) category and **Rs. 250/-** for SC/ST/PWD category.
9. Eligible in-service candidates (with M.Phil. or Pre-Doctoral coursework in Population Studies/Demography) with financial support from UGC /ICSSR or any other equivalent government sponsored fellowship need to apply online and appear for entrance test for PhD admission.
10. Foreign candidates with financial support may be considered for admission to the Ph.D. program without entrance test.
11. Last date for submission of online application is **4th January 2019**.
12. All candidates are required to send hard copy of the online application form along with all supporting documents to “The Assistant Registrar (Academic), International Institute for Population Sciences, Govandi Station Road, Deonar, Mumbai - 400088” on or before **11th January 2019**.
13. Refer **Appendix-A** for course-wise fees schedule.
14. Eligibility for admission can be relaxed by the admission committee in exemplary conditions.
15. The Institute reserves every right to decide the number of seats to be filled or cancel the course at any moment. The Institute also reserves the right to change/alter certain rules at any time.
16. Five percent relaxation in marks is applicable for candidates belonging to SC/ST/OBC (non-creamy layer) and people with differently abled category applying to various courses.
17. Candidates having master degree other than the subjects specified in the list for MPS admission and having at least two years of experience in Population and Health related field are also eligible for MPS course.
18. Canvassing in any form for securing admission will disqualify the candidature.
19. All courses will begin on **3rd July, 2019**.
20. For further details regarding the courses and course contents, see our website: **<http://www.iipsindia.org>**.

Course-wise Announcement

1. MASTER OF ARTS/SCIENCE (M.A./M.Sc.) IN POPULATION STUDIES

Applications are invited for admission to M.A./M.Sc. in Population Studies during the academic session 2019-2021 to commence from **3rd July, 2019**.

5. INTEGRATED M.Phil./Ph.D. IN POPULATION STUDIES/BIO-STATISTICS AND DEMOGRAPHY

Applications are invited for admission to Integrated **Master of Philosophy (M.PHIL.)/Ph.D. in Population Studies/Bio-statistics and Demography** during the academic session 2019-20 to commence from **3rd July, 2019**. The Integrated M.Phil. and Ph.D. programme shall consist of two academic degree programmes that can be pursued with a single admission procedure taken at the entry level for M.Phil. degree. Successful completion of M.Phil. degree would facilitate shifting to the Ph.D. programme. A mid-stream option is available where students can move into Ph.D. programme after completion of one-semester/six-months coursework and fulfilment of other criteria set by the Institute.

Eligibility: Admission to this course is open to all candidates having Master's degree in Population Studies/Demography/Bio-statistics and Demography/ Bio-statistics and Epidemiology (passed/appearing) with at least 55% of marks or equivalent grade. Students who have qualified UGC/CSIR-JRF or any other national level fellowship are encouraged to apply for this programme. Eligible foreign candidates can also apply for admission provided they secure financial support from any outside agency.

Candidate who have already passed the qualifying examinations and those who have already appeared/ shall be appearing in the final qualifying examinations are eligible to apply. However, admission of the candidate will be cancelled if he/she fails to furnish the final examination result by **30th September 2019**.

The upper age limit is 30 years as on **30th June, 2019**. Marks and age will be relaxed for candidates belonging to reserved categories and female candidates as per Government of India rules.

Guidelines: The following guidelines are applicable for the Integrated programme with different options and fellowships:

A. UGC-JRF and other equivalent External Fellowships

- i) All students enrolled for the Integrated M.Phil. and Ph.D. programmes shall undergo fulltime one-semester coursework for six months.
- ii) Only those students who have cleared M.Phil. coursework with A Only and above grade (equivalent of 65% and above for general students) or B Plus and above grade (equivalent of 55% and above for SC/ST/OBC/PWD students) are eligible for opting mid-stream option.
- iii) Students who have been successful in course work (A Only and above grade for general students and B-Plus and above grade for SC/ST/OBC/PWD students), but are desirous of completing M.Phil. can continue and submit the dissertation for the award of M.Phil. degree. Such students desiring to complete M.Phil. degree are required to submit a formal application.

iv) All other students will continue M.Phil. and submit their dissertation. These students will be allowed to continue Ph.D. programme, provided they have secured B-Plus and above (equivalent 55%) of General candidate and B-Only or a b o v e (equivalent of 50% and above for SC/ST/OBC/PWD students) in M.Phil. degree. However, those external fellowship holders after successfully completing M.Phil degree (fulfilling eligibility criteria) need to register for Ph.D program within 15 days of declaration of M.Phil results.

B. Government of India Fellowship

i) All those who got admission in the Integrated M.Phil. and Ph.D. Programme with Government of India fellowship but subsequently passed JRF or got funding from any other sources and secured A only and above grade (equivalent of 65% and above for general students) or B Plus and above grade (equivalent of 55% and above for SC/ST/OBC/PWD students) in course work are eligible for opting mid-stream option. Such students desiring to move into the Ph.D. programme are required to submit a formal application.

ii) The students enrolled in Integrated M.Phil. and Ph.D. Programme with Government of India fellowship and not cleared UGC/CSIR-JRF or any other national level fellowship for Ph.D. programme have to complete the M.Phil. degree and seek fresh admission for Ph.D. programme.

Duration: Minimum three years to a maximum of seven years. Duration of integrated M.Phil./Ph.D. programme is specified for Ph.D. thesis submission and not for fellowship.

Selection Criteria:

The admission to Integrated M.Phil. and Ph.D. Programme is through a three-stage process; on line test, proposal writing and personal interview. The online Entrance Test will consist of objective type questions of multiple choices. The syllabus of Entrance Test will consist of questions on English, Logical Reasoning, Statistics, Mathematics, Bio-statistics, Research Methodology, Population Studies, Demography, and Epidemiology. The test venue will be notified in the Admit Card. Based on the performance in the Online Test, shortlisted candidates will be called for proposal writing and personal interview at IIPS. Final selection will be based on the weighted average of scores of Online Test, proposal writing and personal interview. The Institute will not bear any travel expense of the candidates called for the test/personal interview.

Reservation: Reservation for SC/ST/OBC/PWD & Female candidates will be considered as per the Government of India norms.

Date of Online Test: 10th February, 2019.

Registration for Admission Test and Processing Fee: All eligible candidates are required to register online by visiting the Institute's website www.iipsindia.org during **26th November, 2018 to 4th January, 2019.**

The non-refundable processing fee is **Rs. 1000/-** for General category, **Rs. 500/-** for OBC (Non-Creamy Layer) category, **Rs. 250/-** for SC/ST/PWD category. Processing fee will not be charged from foreign candidates at the time of submission of completed application forms.

The hard copy of the online application form along with supporting documents should reach to “The Assistant Registrar (Academic), International Institute for Population Sciences, Govandi Station Road, Deonar, Mumbai-400088” on or before **11th January, 2019**.

Course Fees: Refer to **Appendix-A** for course-wise fee schedule. If any student desires to withdraw admission after paying the course fees, the refund of course fees will be as per the Institute’s rule.

The Institute reserves the right to decide the number of seats to be filled in. The Institute also reserves the right to change/alter certain rules at any time.
