

Amendments

“Longitudinal Ageing Study in India (LASI)” Pre-bid meeting for Main Wave 1, Phase 2 states, Held on 17 October, 2016

Discussion points and Decision/Amendments

Sr.No.	Discussion Points	Amendment
1.	Whether salary should be paid to the investigators during state level training of investigators.	Yes, salary should be paid from the date of appointment/state level training. However, food and accommodation may be arranged in lieu of DA during the training period. DA is fully payable from date of field work.
2.	Whether IIPS can arrange group accidental and health Insurance for Investigator.	This is FA's responsibility as per schemes available in the state. However, if any information is available, IIPS will inform FAs.
3.	Whether Annexure D should be included in Technical Bid	In Technical Bid only percentage share of item-wise cost of the total budget should be provided as per Annexure-D1. In Financial Bid, details as per Annexure-D should be provided.
4.	Whether cost is household or individual based.	Unit cost is per completed individual interview (includes completed household interviews, individual interviews, Biomarker component and collection of DBS). Separate unit cost for each state is required.
5.	Whether service Tax is to be calculated on total value of contract or operational budget after TDS.	a) Total value of contract includes service tax. b) 5% Performance security and 20 percent Bank guarantee should be on total contract value including taxes, which is required to be renewed every year. This is as per GFR rule and as specified in 7.4 (e,f) of BID document given in page no.35.
6.	Whether completion certificate of every project is required to be submitted.	Completion certificate is required. However, if organization is delaying/not issuing certificate, proof of completion of project activities in terms of release of last installment, and account closer statements etc. are required to be submitted. Self-certification of project completion is not acceptable.
7.	Whether last date for submission of BID will be extended.	This is subject to IIPS decision.

Amended Annexure D1

Items/ Particulars	Percentage of the total proposed cost
Manpower operating (Personal) - Health Coordinator - IT Coordinator - Project Coordinator - Investigators' Salary i) Salary ii) Per diem charges - Other Technical Personnel
